

Melchsee-Frutt

The natural pearl in the heart of Switzerland

Refreshing mountain air and so breathtaking – beautiful. In the middle of Central Switzerland, the sunny and car-free high plateau is located on nearly 2'000 m.a.s.l. In our alpine holiday area we offer versatility for the whole family.

Enjoy the 36 kilometres perfectly preserved runways, an eight-kilometre-long sledge journey or idyllic wanderings and snowshoe tours in a wonderful winter scenery. Also our smallest guests experiences unforgettable hours at the Fruttli-Land, which is free of charge usable. Numerous hotels, restaurants and mountain huts offers culinary climaxes and promises romantic nights in the snow-covered mountains. For Freestyle fans the fruttpark.ch offers the optional terrain for every level, with numerous rails, jumps and boxing.

The offers can be made and combined in different levels of difficulty. So the adventure-day will be a journey for every generation, it doesn't matter if you are tall, small, sporty or easy going.

You can also make use of Sledge renting, ski rental and service, Swiss ski and snowboard school, controlled snow shoe tours, various exciting group experiences and a lot more!

With pleasure we present to you an individual offer with attractive group prices.
